

R+R

REPAIR & REFURBISH

Any products that are not supported by us, can be repaired in-house under our Repair + Refurbish scheme.

This service includes:

- > Removing small artificial defects from bezels
- > Repainting of bezel and surface mounted products
- > Repolishing bezels
- > LED engine repair where possible*

*Due to the way we seal our products to achieve high IP Ratings it is not always possible to access the engine
