## Mirror Lights

### 10148 Lamp 12V 20W capsule max (GY6.35)

Useful and decorative as a shower light, but works very well as a dressing room style mirror light. IP54 from the front.

### 10158 Lamp 12V 20W capsule max (GY6.35)

Used as a wall or under shelf light as a decorative feature and to provide a very broad wash of diffused halogen light
